# ABOUT MFCP

With MFCP, benefit from our extensive experience and industry know-how. **Our experts and manufacturers have formed a bond rooted in decades spent working together to produce successful solutions for various sectors.** Not only do we provide comprehensive components but also provide full system offerings - making us your one-stop shop towards conquering any challenge!

## SERVICES

MFCP has the capability to support a wide range of technologies:

- Fluid Connectors
- Hydraulics
- Pneumatics Automation
- Seals & Materials
- Filtration
- Tools & Supplies
- Process Equipment
- Controls

## PRODUCTS

**MFCP is a premium supplier** for Actuators, Stages & Cylinders, Automation Components, Compressed Air Equipment, Controls, Drives and Motors, Electrical, Filtration, Gauges & Measurement, Hose, Tube & Fittings, Hydraulics, Machine Safety, Mobile & Truck, Pneumatics, O-Rings & Seals, Sensors & Switches, Tools & Assembly, Vacuum, Valves and more!

## ENGINEERED SOLUTIONS

We engineer solutions for Standard and Custom Hydraulic Power Units, Control Systems & Enclosures, Hydraulic Manifolds, Pneumatic Systems & Assemblies, Seal Engineering, System Design & Installation, Schematics, Custom Machine Guarding, Workstations & Workcells, and more! **We have the experts available to help you find a solution.**

## 60+ LOCATIONS IN THE US

All of our ParkerStores stock products and provide hose assemblies while you wait, adapters, and many Parker fluid connector products.

Individual stores offer additional products and services to support the industries in their specific locations.

## CENTERS OF EXCELLENCE

Our Centers of Excellence refers to eight individual engineering shop locations specializing in value-added services such as fabrication, assembly, kitting, manufacturing of fluid power systems, control panels, and rebuild of components.

## OUR COMMITMENT TO QUALITY

*"Our commitment to quality and compliance is unwavering. Trust in us drives our success, and we consistently exceed industry standards. As we innovate and grow, we maintain these high standards."* - Ross Surratt, CEO

- ✓ ISO 9001:2015
- ✓ AS9100:2016
- ✓ CSA Certified:
  - Class 3313-82 CNG Hoses - US Standard
  - Class 3313-02 (GAS) CNG Hoses
- ✓ DDTC (ITAR) Registration Code K-6745

## INDUSTRIES WE SERVE

AEROSPACE & DEFENSE

AGRICULTURE

BUILDING & CONSTRUCTION

ELECTRONICS & SEMICONDUCTOR

ENERGY & POWER GENERATION

FACTORY AUTOMATION

FOOD, BEVERAGE & BREWERY

LIFE SCIENCES

LUMBER, LOGGING AND WOOD

MARINE & OFFSHORE

MOBILE EQUIPMENT & MACHINERY

OIL & GAS

TRANSPORTATION

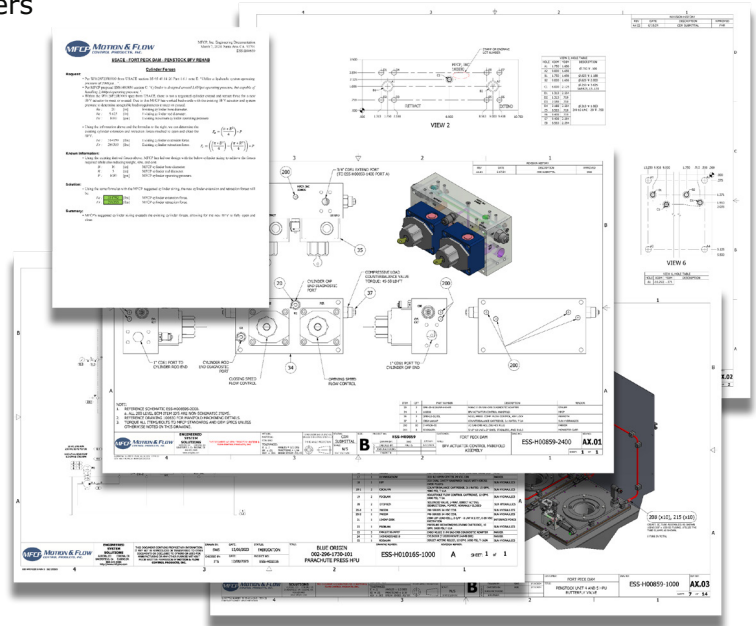

UTILITIES

# ENGINEERING & MANUFACTURING

- Over 40 Technology Managers and Specialized Engineers
- Hydraulic & Pneumatic System Engineering, Manufacturing, and Reverse Engineering
- Engineered Seal Design and Production
- High-Volume Hose and Tube Assembly Production
- Control Panel Design and Manufacturing
- Sub-Assemblies, Kitting, and Cert Documentation
- Filtration Build Program
- Vendor Managed and/or Supplier Owned Inventory
- Project Management and Integration
- 14+ Engineers on staff
  - Mechanical
  - Electrical
  - Controls
- Large projects are managed by the lead engineer(s)
- On-site travel for any portion of the project, but especially for initial quoting, installation, and commissioning.
- Full documentation provided per project as needed.
- System testing, inspection, and quality control.
- Dedicated support teams centered around engineering and large projects.

## GASKETS, O-RINGS & SEALS

### KEY MARKETS

- Marine
- Aerospace
- Aerial lift
- Agriculture
- Construction machinery
- Forestry
- Industrial machinery
- Mining
- Oil & gas
- Power generation & energy
- Truck hydraulics

### ATOM FLASHCUT KNIFE TABLE

Cutting area of 5 ft x 10 ft  
Materials include:

- Chomerics EMI and Thermal Materials
- Rogers Poron
- Cork
- Nitrile
- Viton
- PTFE
- Other non-metallic/non-plastic materials as thick as 3/4"

## AS9100 CERTIFIED FACILITY IN LOUISVILLE, CO

### CAPABILITIES

- Stratoflex Custom Hose Building
- Stratoflex Hose Testing
- Stratoflex Hose Handling
- Custom Seals and Gaskets
- Seal and Gasket Vulcanization
- Seal and Gasket Lamination
- Access to Premium Brands
- High Pressure Swivel Joints
- Hydraulic Fuses
- Quick-Connect Couplings

### CURRENT DEFENSE CUSTOMERS

# OUR PRODUCTS AND SERVICES

## HYDRAULIC & PNEUMATIC SOLUTIONS

Products, fabrication, systems, and repair services improving machinery performance with system and service solutions.

## ELECTRICAL & UL508A PANEL SHOP

Design, testing, integration, programming, fabrication, and assembly of UL508A panels.

## MANIFOLD DESIGN, MANUFACTURING AND PRODUCTION

6 CNC Machining Centers  
MFCP RAMP: Rapid Action Manifold Program Supporting  
Timely Prototyping / Short Run Production

## FILTRATION

Filtration/separation products and systems for industrial, transportation, mobile, and life sciences markets.

## INSTRUMENTATION

Critical components for process instrumentation, semiconductor, health care, and analytical applications.

## CONDITION MONITORING/ INDUSTRIAL IOT

Complete solution of sensors/hardware, custom programming, and Cloud based monitoring platforms.

## R&D INTEGRATION AND DESIGN COLLABORATION

Design, testing, integration, programming, fabrication, and assembly of UL508A panels.

## HIGH VOLUME TUBE BENDING AND INSTALLATION

## T-SLOTS EXTRUDED ALUMINUM DESIGN, ASSEMBLY & INTEGRATION

The **MFCP**  
*Advantage*

**OEM SCALE OR ONE-OF-A-KIND  
SOLUTIONS TO IMPROVE EFFICIENCY  
AND MAXIMIZE PROFITABILITY**
