

Parker Stratoflex Products

Hose & Tube Assemblies

Parker Stratoflex has enabled countless technology leaps over the past century playing integral roles in supporting commercial aviation development, war efforts, the exploration of space, the evolution of business aircraft, and our modern UAVs.

Stratoflex Products

Hose Assemblies

Speciality Fittings

Speciality Couplings

Quick Disconnect
Couplings

Swivel Joints

Hydraulic Flow
Regulators

Breakaway Fuel
Valves

Hydraulic Fuses

ISO 9001 Certified

AS9100:2016 Certified

Catalogs & Literature

Broad capabilities for large fan engines
Providing industry-leading technology capabilities for large turbofan engines
Commercial | Military | Power plants

Parker Aerospace

Broad Capabilities for
Large Fan Engines

**Alternative Fuel: CNG, LNG & LPG
Vehicle and Fueling System Solution**
Helping create a sustainable future

Locations

We support our customers in the Western United States with a growing number of locations. When you visit one of our ParkerStores, you can count on quick, friendly service from one of our store professionals.

All of our ParkerStores stock products provide hose assemblies while you wait, adapters, and many Parker fluid connector products. Individual stores offer additional products and services to support the industries in their specific locations.
